Single Sided Vertical Bar Rack - 403

These racks will vertically store bars, pipe, angle, etc., up to 12 feet long. Heavy duty formed 12 gauge shelves have 1 1/4" x 1 1/4" welded angle dividers. Store any variety of short stock material with 20 inches of clearance between shelves. Left and right end section uprights are all-welded pieces. Racks are designed to be free standing, but have holes for optional attachment to the floor.

Example Order Number:

Shelf Dimensions (From Top to Bottom)
